

Get the technology behind the online giants with Como Sense™

End-to-end customer engagement to know your customers, personalize their experience, and grow visits and spend.

ALREADY INSIDE YOUR POS

Seamless connectivity with your POS and any 3rd-party services, such as e-commerce, payments, and ordering.

DATA-DRIVEN SUCCESS

The power to track customers' purchases and then appeal to them with ever-more relevant offers that propel sales.

THE COMPLETE TOOLSET

The tools to gain insights, engage customers, and target them automatically—all working together.

CUTTING-EDGE TECHNOLOGY

A leader in digital engagement solutions since 2005, we keep you competitive with future-proof technology.

PROVEN ROI

30%

Higher average spend per visit for loyalty club members vs. nonmembers

48%

Increase in loyalty club members' monthly purchase frequency

41%

Increase in loyalty club members' monthly spend

Como Sense is already integrated with the world's leading POS companies. The solution is available in two versions: full and express.
